

CODE: **AWOH-PM25D v1.0/I**
 NAME: **Plate with 25 membrane grommets for AWOH series enclosures**

EN

Destination

The AWOH-PM25D membrane bushing that allows cables to be passed inside the hermetic enclosure of the AWOH series. The membrane is made of a flexible material that ensures the tightness of the enclosure and protects the cables against damage. The membrane bushing is mounted to the enclosure using 10pcs mounting screws and a gasket that is included with the AWOH enclosure.
